

DAO MINH DUC HOANG

FRONT-END DEVELOPER

PERSONAL PROFILE

I am Dao Minh Duc Hoang, a freelance web developer. I have taught myself **HTML, CSS, Javascript, Bootstrap, JQuery** and other frameworks. Currently I am a student at Algonquin College. My objective is being recruited in a professional organization, gaining working experience, and approaching new technologies. With the experiences I have and the burning passion, I commit to dedicate all my abilities for the success of the organization.
